## Burning Regulations

Burning in the Village of Bethalto is regulated by Ordinance 98-23 and following set of rules applies.

- No burning is allowed without obtaining a permit in advance of the burning
- Burning is allowed dawn to dusk only. Bonfires, wiener roasts, etc. past dusk are permitted and must be noted on request form and require prior approval
- Fire must be kept at a reasonable size
- Burning must be supervised at all times
- Fire extinguishing equipment must be on site and ready at all times
- Fire should be away from any object or material that could become ignited
- Burning is restricted to the material's list in the ordinance
- Permit holder is solely responsible for any damages caused by the burning
- Burning must be confined to one location
- Permit holder is responsible for any costs incurred if extinguishing is required by the Fire Department
